### **IMPORTANT INFORMATION**

In an effort to be more environmentally friendly, handouts will not be provided. All materials are sent in advance. If you would like hard copies, please print out those advance copies or access them electronically through the QR codes provided below.

### **ALL DAY PROJECT SHOWCASE**

A *Celebration of Success* Showcase area will allow Performing Providers the opportunity to share some of their DSRIP success stories in the form of posters, brochures and pictures. Special emphasis will be placed on providers and projects that raise the floor/ bar in terms of transformational healthcare. We will be raffling off two gift baskets.

### **WIFI CODE**

Wifi capability will be available at the event location. The code is **HOUUH14**

### **HANDOUTS**

Information for all presentation may be accessed through the QR code below. This QR code allows participants to scan and load electronic versions of the documents for reference during the event. To use this QR code, you will need to download the appropriate free smartphone/tablet application. Potential options are listed below:

QR Droid Code Reader™ (google play store)

QR Code Reader (google play store)

QR Code Reader for iPhone (iTunes)

QR Code Reader for iPad (iTunes)

Code Scanner Free (Windows Store)

QR Code Reader for Windows Phone (Windows Store)

QR Code Reader Kindle (Amazon Apps)

### **BUSINESS CARDS**

Bring plenty of business cards. This is your chance to network with other stakeholders and to share information on the important healthcare infrastructure activities in our Region.

### **PARKING**

Parking is available at one of two locations – under the Hilton building and at the Welcome Center across the street from the Hilton. Parking validation will be provided to each participant upon registration. You will only be allowed one validation per day, as in and out privileges are not allowed. **Please bring your parking ticket into the event with you.**

### **EVENT INFORMATION**

#### **Purpose:**

To provide an update and review on current issues and topics related to Transformational Healthcare in the Texas 1115 Waiver Region 3. Emphasis will be placed on pivotal projects in RHP3, quality improvement and other important data from around the region, state and country as a means to improve access, cost, patient satisfaction and the quality outcomes of Region 3.

#### **Objectives:**

After attending these sessions, participants will:

1. Have increased knowledge of learning collaborative cohorts and DSRIP Projects
2. Further understand relevant quality improvement strategies and how they relate to project implementation.
3. Understand how DSRIP developments in Texas and other states could impact Waiver renewal in Texas
4. Understand the importance of sustainability evaluation and development and its relation to the evolution of healthcare in RHP3

#### **Target Audience:**

Project owners, community collaborators and stakeholders in RHP3 and around the State.

#### **Format:**

The format for this event consists of lectures, each followed by a question and answer period. There will be table top breakouts to support critical thinking related to quality improvement, Category 3 measures for projects and further opportunity for networking, questions and answers. The event is designed to facilitate exchange of information and dialogue between presenting faculty/facilitators and participants.

### **EVALUATION**

Your continued feedback on all Learning Collaborative activities is critical to the quality of future activities. Please visit the QR code below to complete the evaluation of this, December 2015 event.

**THANK YOU!!!**
