Subject: RHP 3 August 2014 Change Requests

On August 8, 2014, Region 3 Anchor, Harris Health System, submitted Change Requests for 20 of 28 Performing Providers in the Region. Change requests were inclusive of Plan Modifications and Technical Changes. In aggregate, the Region submitted a total of 286 Change Requests, which includes 157 Plan Modifications and 129 Technical Changes. Feedback from HHSC for requested changes is expected by September 12, 2014. The specific projects requesting any changes are listed in the attachment below by Performing Provider and at this link <http://www.setexasrhp.com/external/content/document/6182/2229606/1/RHP3%20Plan%20Modification%20Summary%2008082014.pdf>. The versions of project narratives prior to submission of Change Requests are available under RHP-3 at <http://www.hhsc.state.tx.us/1115-recent-project-narratives.shtml>. Updated versions of projects with submitted Change Requests will be available at a later date upon approvals from HHSC and CMS.

Thank you!
