

DSRIP Draft Program Funding & Mechanics Protocol

Southeast Texas Regional Healthcare Planning
Texas Healthcare Transformation and Quality Improvement Program ☆ Medicaid 1115 Waiver

Workgroup Team Members,

HHSC recently published a draft of the Program Funding and Mechanics Protocol for the Texas Transformation and Quality Improvement Program 1115 Waiver. The draft document begins to outline the expectations and value system for the DSRIP initiatives. HHSC has requested comments from all regions by Thursday May 31, 2012 in order to submit the proposal to CMS for feedback.

The protocol and the feedback form can be found on our website at <https://www.piersystem.com/go/doc/4807/1443395/> (</go/doc/4807/1443395/>) and <https://www.piersystem.com/go/doc/4807/1443399/> (</go/doc/4807/1443399/>).

If you are interested, please take a moment to review and submit feedback to me by Tuesday May 29, 2012 so that we can compile our Region 3 response. We would like a consolidated region response to ensure one voice and feedback to our DSRIP partners, but if you are unable to submit to HCHD by this time you can also submit directly to HHSC by the instructions included in the feedback document.

I look forward to your comments. As always, feel free to call or email with any questions or concerns.

Thanks,

Amanda Simmons
