Definitions

Dependent

Dependents are:

- your lawful spouse; and
- any child of yours who is:
 - less than 26 years old.
 - 26 or more years old, unmarried, and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical disability which arose while the child was covered as a Dependent under this Plan, or while covered as a dependent under a prior plan with no break in coverage.

Proof of the child's condition and dependence must be submitted to Cigna within 31 days after the date the child ceases to qualify above. From time to time, but not more frequently than once a year, Cigna may require proof of the continuation of such condition and dependence.

The term child means a child born to you; a child legally adopted by you; the child for whom you are the legal guardian; the child who is the subject of a lawsuit for adoption by you; the child who is supported pursuant to a court order imposed on you (including a qualified medical child support order) or your grandchild who is your Dependent for federal income tax purposes at the time of application. It also includes a stepchild.

Benefits for a Dependent child will continue until the last day of the calendar month in which the limiting age is reached.

Anyone who is eligible as an Employee will not be considered as a Dependent spouse. A child under age 26 may be covered as either an Employee or as a Dependent child. You cannot be covered as an Employee while also covered as a Dependent of an Employee.

No one may be considered as a Dependent of more than one Employee.
