Department of Pharmacy
PGY1 Pharmacy Residency Program

Application Checklist
The application deadline is: Friday, January 11, 2013

Application materials shall be submitted via the Pharmacy Online Residency Centralized Application Service* (PhORCAS). Applications will be reviewed as they are received, so early submission is encouraged. Applicants are required to complete both a telephone/PPS interview and onsite interview before a position will be offered. During the onsite interview, the applicant shall give a twenty (20) minute presentation on the topic of their choice.

Applications shall be deemed complete upon receipt of the following materials:
- Curriculum Vitae
- Letter of Interest
  - Describe your reasons for pursuing a PGY1 Pharmacy Residency. The letter should include details about your professional interests, achievements, and your five year goals as a pharmacist.
- Official Transcripts
  - Official transcripts related to pharmacy education are required.
- Three (3) Letters of Recommendation
  - Reference writers must complete the standardized reference form in the PhORCAS system. Reference writers are strongly encouraged to upload a customized reference letter.
